

## **GoDog: SOCIAL Chattanooga FAQ**

### **Where are you located in Chattanooga?**

Our campus is located at 255 W 20<sup>th</sup> Street on the Southside of Chattanooga's downtown. Our phone number is (423) 654-7580. We have plenty of FREE onsite parking.

### **Do I need to have a dog to enjoy the Park & Bar?**

Not at all! We love dog-friendly people, not just dog owners. We have a great selection of local craft beers, non-ABV options, as well as locally sourced snacks. However, we are a Dog Park & Bar, so if you're not a fan of dogs, this may not be the best place for you.

### **Do I have to pay to enter if I don't have a dog?**

NO! Our human friends are free to enter. However, you will need to sign a short waiver at the check-in desk prior to entering. Our dogs are our "members" and must pay for a single-day pass, or they can upgrade to a monthly, or yearly membership for the most savings long-term.

### **Is the Dog Park & Bar open when it rains?**

YES! We are open rain or shine. With our large climate-controlled covered patio, you will be out of the rain and colder weather. Since most dogs don't mind running around in the rain and colder days, they're free to roam. In the winter, we have infrared heaters under the covered patio, and in the warmer months we have plenty of shade and misting fans too!

### **Do you have free Wi-Fi for me to work and TVs to watch while my pup plays?**

YES! Since working from home is normal for so many, our Wi-Fi is free and available to you, but please remember to keep your eyes on your pup as well. Our park attendants are here to help guide safe play, but not solely responsible for your dog's behavior or their messes. And yes, we also have multiple indoor/outdoor TVs to catch the big games live!

### **Can I bring outside food or drinks with me?**

No outside food or drinks are permitted on the GoDog campus. We ask that all food and dog treats purchased onsite are enjoyed in our covered patio area safely with your pups on-leash. No food is allowed in the turf yard area.

### **Can I bring my kids?**

No. Due to the safety of the dogs and children, we are an 18+ Dog Park & Bar only. With proof of ID, guests who are 21+ may drink alcoholic beverages.

### **Can I host an event at GoDog:SOCIAL Park & Bar?**

YES! We host both dog and people-only events here. Whether you want to host doggy birthdays, corporate events, after-work happy hours, fundraisers even turn the yard into the perfect wedding rehearsal space, we can host all sorts of events here. Please email us at [SOCIAL@godogchatt.com](mailto:SOCIAL@godogchatt.com) or call us at 423-654-7580.

### **Do I need to provide vet records for my pup before entering the park?**

YES! And you have two options:

- **Register your pup on our GoDog:SOCIAL App:** [REGISTER HERE](#), where you can upload vaccination history, spay/neuter records, and sign waivers prior to visiting.  
**OR**
- Bring your vaccine and spay/neuter records or digital copies to your first visit. *(Please note this option will take some time to complete the information. We strongly encourage you to register and upload all of your records prior to coming.)*

All dogs must be current on vaccinations Distemper (DHPP/DHLPP/Da2PP), Rabies and Bordetella (aka Kennel Cough) vaccines. All dogs six months and older must be spayed or neutered.

### **Are the dogs supervised while in the park by staff?**

YES, we have trained dog professionals who monitor the safety of our pups while in the park. However, you must stay present and watch your pup as well as clean up after their mess.

### **Do you have size or breed restrictions?**

No. All well-socialized, vaccinated dogs six months and older (spay/neuter required at six months) are welcome to play together here.

### **Do you have a separate park area for small dogs?**

No. We have a large open yard for all dogs to socialize together. We do host a small dogs-only (20lbs or less) group once a week here on Sundays from 11am-1pm.
